This is a decision in response to the petition under 37 CFR 1.137(b),
filed October 3, 2005, to revive the above-identified application.

The petition is granted.

The above-identified application became abandoned for failure to
reply in a timely manner to the final Office action, mailed
February 23, 2005. The Notice set a three (3) month period for
reply. Extensions of time were available.

Applicant filed an Amendment in reply to the final Office action
on April 27, 2005; however, the Amendment failed to place the
application in condition for allowance. Applicant was so
notified in an Advisory Action mailed September 22, 2005.

With the instant petition, Applicant has filed a Request for
Continued Examination ("RCE") and a submission in the form of the
Amendment filed April 27, 2005.

This application is being returned to Technology Center 3747 for
processing of the RCE and in due course.

Telephone inquiries related to this decision may be directed to the
undersigned at (571) 272-3232.
